

Mayfair & St James's Gallery Map

Mayfair and St James's is one of the oldest and most important arts quarters in the world. It is home to the Royal Academy of Arts as well as the major auction houses and leading art galleries.

The Royal Academy of Arts
 Established by King George III in 1768 to promote art and artists, the Royal Academy of Arts stages a diverse public programme of major exhibitions and events, and is home to the UK's longest established art school. To this day it remains an independent charity that is run by many of the country's greatest artists and architects – the Royal Academicians.

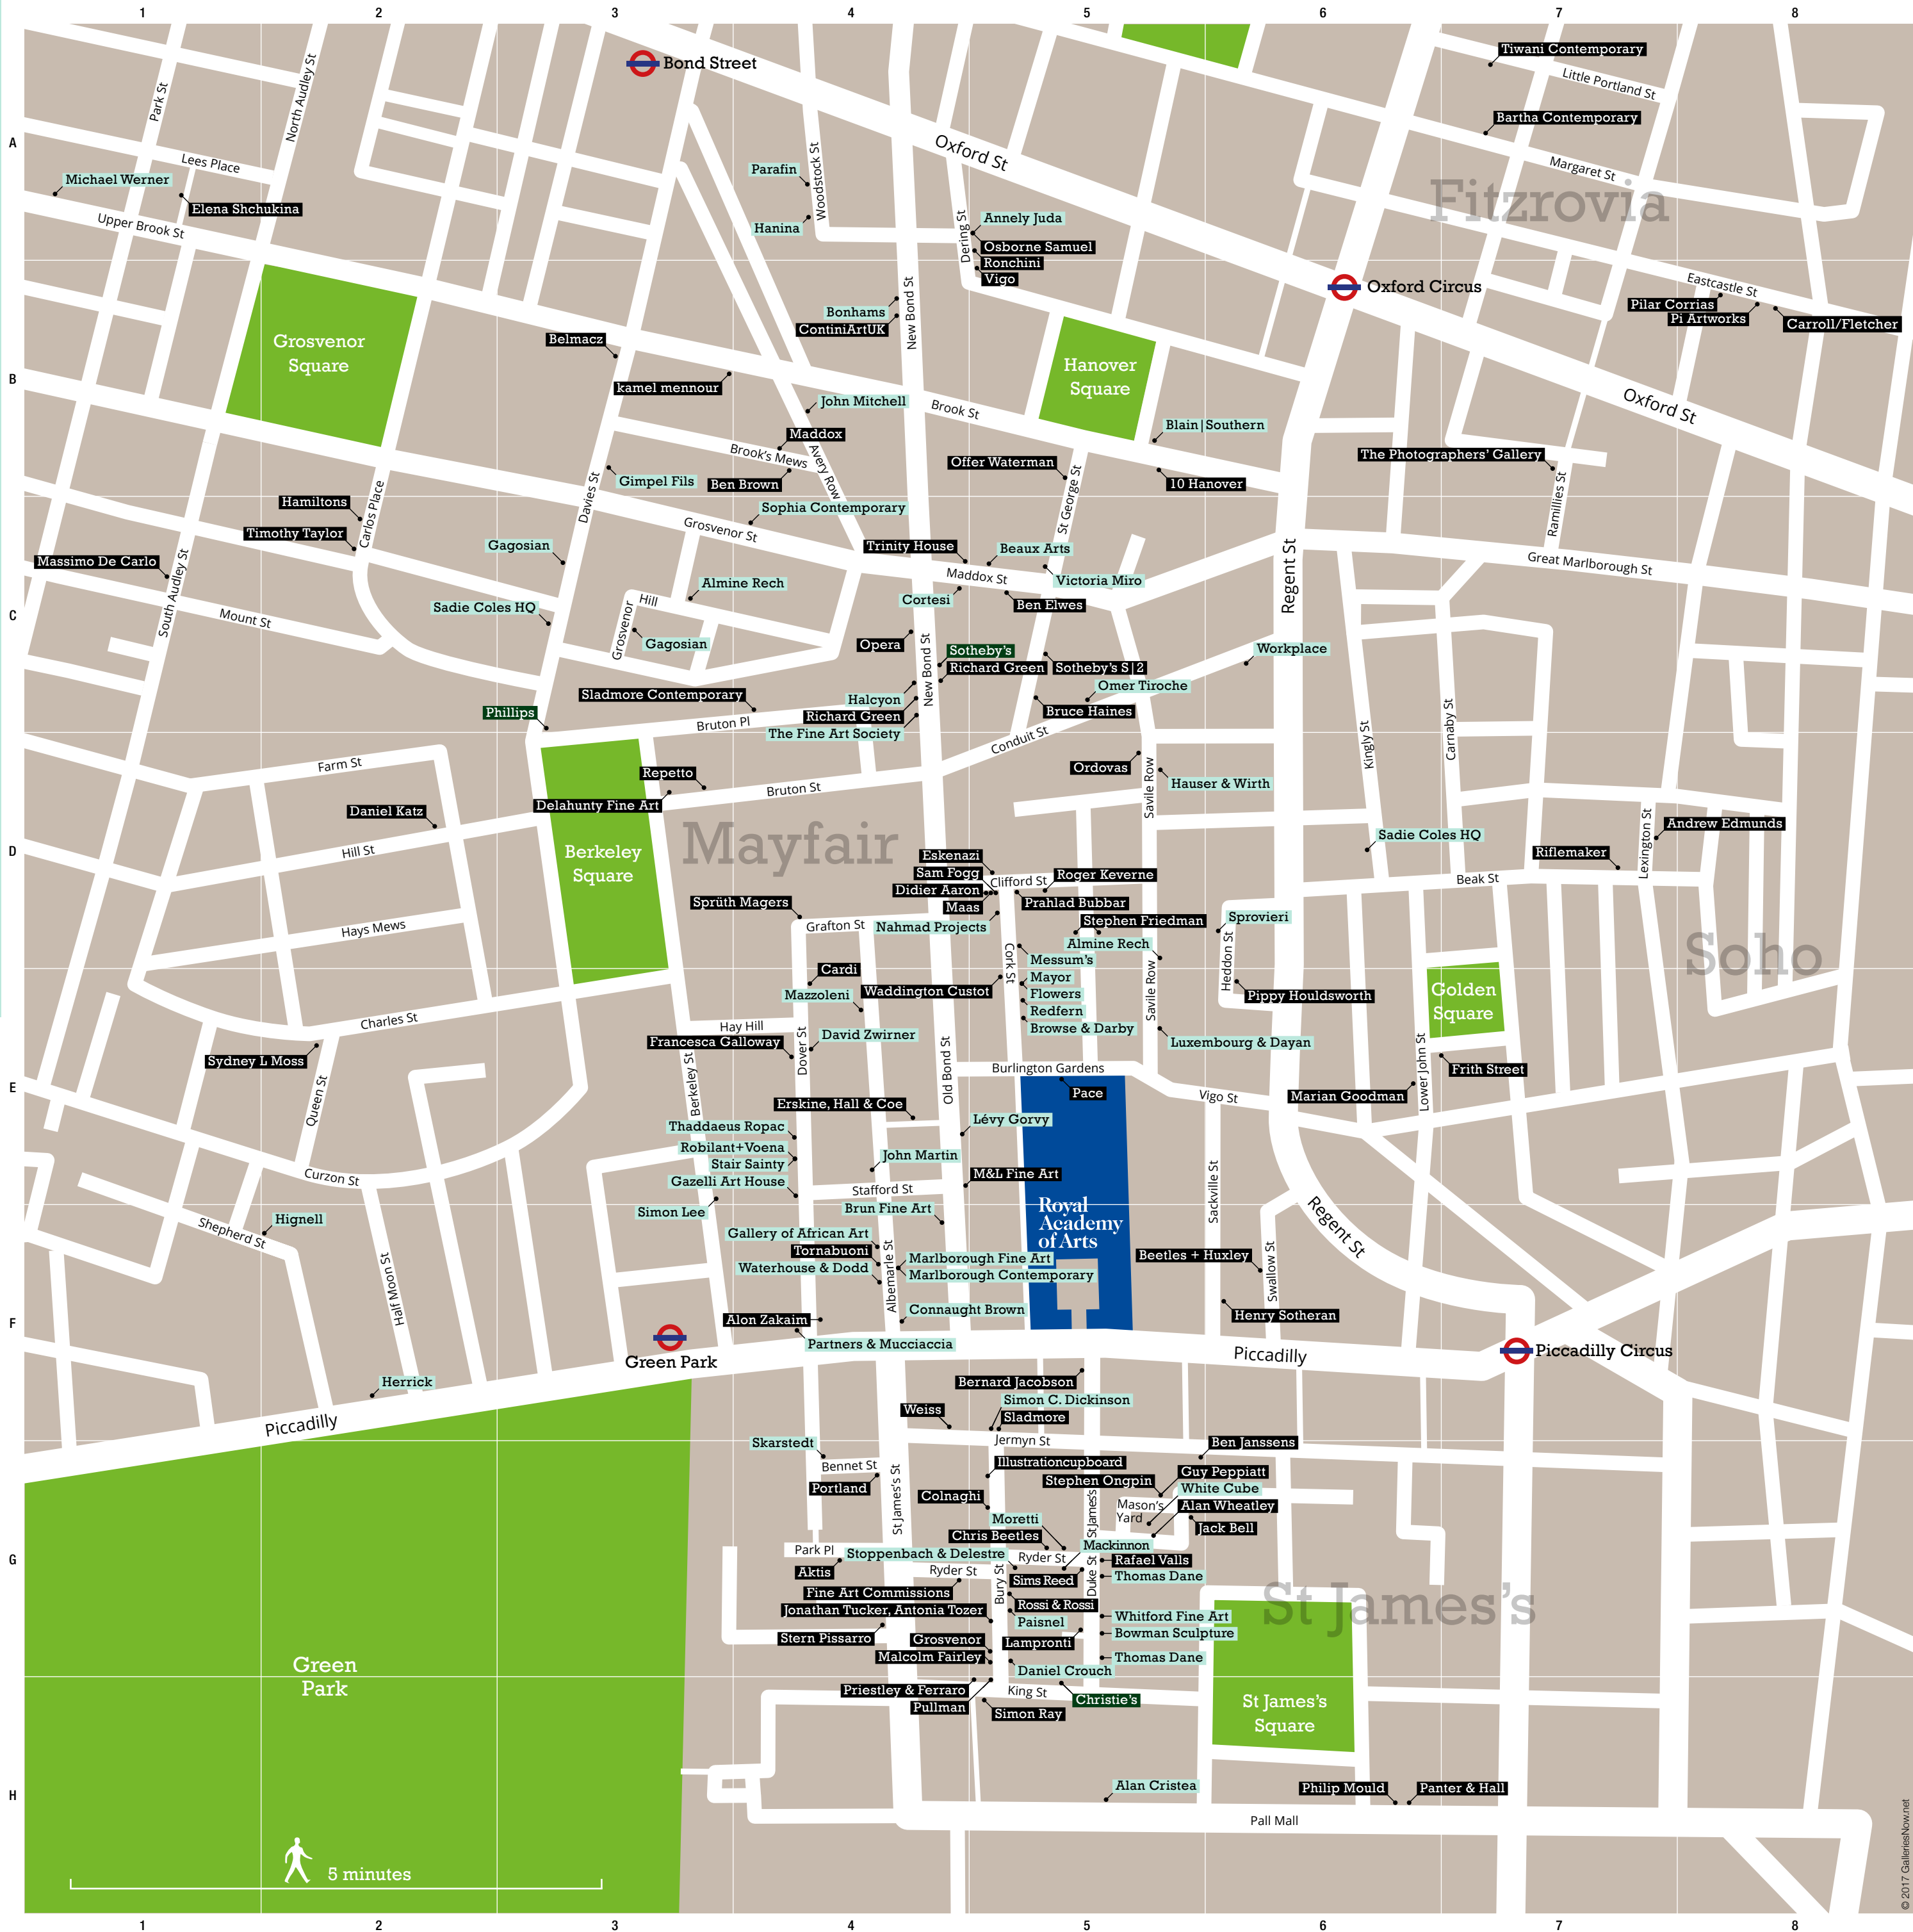

In 2018, the Academy will celebrate its 250th anniversary and unveil an expanded campus and programme. For more information visit royalacademy.org.uk/ra250
